The Mark West Area Chamber of Commerce is hosting its annual community event and business showcase ONLINE for 2020. Interactive daily activities, cooking demos, Silent Auction website and Grand Raffle, Dunk Tank Fun featuring adventuresome local leaders, all kinds of informative and silly videos by our local organizations and businesses, even food and product sampling! It's all the things that make our annual Community Faire great, re-imagined for 2020.

The fun takes place from Sunday, September 13 through Thursday, September 17, with a different theme every day and plenty of time to bid on your favorite auction items donated by our great member businesses. Faire Week will reach its exciting climax with a live-streaming event on Facebook and YouTube on Thursday, September 17 from 4-5pm with the Dunk Tank Finale and Grand Raffle drawing.

Starting September 1, announcements and schedule details will be found on our website and social media channels: [www.markwest.org](http://www.markwest.org), Facebook/MarkWestAreaChamber, [communityfaire.betterworld.org](http://communityfaire.betterworld.org), and our YouTube channel at Mark West Area Chamber.

The public will have the opportunity to be engaged not only through our own social media, but the Online involvement of our many community partners like the Mark West Union School District, neighborhood resiliency organizations, and Faire sponsors. Stay connected to your neighbors and be a part of the fun!

For three decades, the Mark West Area Chamber of Commerce has been a leader in the community, supporting local businesses, schools, and community organizations alike. Our mission is to advance the economic well-being and uniqueness of the Mark West area so that its citizens and all areas of its business community shall prosper.

We would like to especially thank our 2020 Platinum Faire Sponsors: Molsberry's Market, California American Water, Carlton Senior Living, Sutter Santa Rosa Regional Hospital, Jackson Family Wines, and Accent Printing and Design.
